Introduction

If you thought that fine fellow on the cover of June's Fortune Small Business magazine looked familiar, you were right! It's our own Michael Geilhufe, cruising the Sea of Cortez in his gorgeous 46 foot Formosa. When Fortune wanted someone for their cover story on Angel Investors they came to the Band of Angels; Michael, who was away doing deep diligence on a solar power startup in Cabo San Lucas, obliged by hosting them for the day on his boat. Several other notable angels are mentioned in this nice article and we will be distributing copies of the magazine at June's dinner for your enjoyment!

Speaking of enjoyment, don't forget about our summer party, to be held from 6:00pm 'til 9:00pm on Wednesday, June 21st. Remember that this year it will be at the Kohl Mansion in Burlingame — directions were included with the invitation you should have already received. RSVPs are way ahead of last year and this is perhaps because of the easier to reach location. Still, we want to have an accurate count for ordering food (and fine wine) so please be sure to RSVP with Marilynne and let her know if you are bringing a guest.

After much struggling with the finicky sound system at the Los Altos Country Club, we decided to give up and simply buy our own system. At June's dinner you should see (and hear!) a big improvement in the quality and robustness of the speaker system.

Speaking of speakers, we have (almost) finalized the list of future speakers at Band dinners for the rest of the year:

June:	Peter Redford	September:	Katie Burke Mitic
July:	TBD	October:	Dr. Norm Sanders
August:	Heinz Blennemann	November:	Kathryn Gould

I say "almost" because our speaker for July had to reschedule; please let me know if you'd like to take his place!
